

Horizon Public Health Family Health Nurse SUPPLEMENTAL QUESTIONNAIRE

INSTRUCTIONS: To be considered for this position, applicants must complete this supplemental questionnaire describing their experience and/or training in a number of pertinent functional areas. Along with the official County application, this questionnaire will be used to evaluate qualifications for the position and select the most qualified applicants to compete in the selection process. A resume may be provided, but cannot be substituted for any portion of the application process. Application materials will be screened against pre-determined criteria. Additionally, the information on the supplemental questionnaire needs to correlate with the work history section on your application. **This supplemental questionnaire must be returned with the application and any supporting documentation by the closing date of May 21, 2018. Please feel free to provide your answers on a separate sheet of paper.**

1. How would you build effective working relationships with community partners?

2. Communicating with clients, families and the Family Health team is important to this position. Please describe how you communicate with others.

3. Describe a past work experience where you had to deal with a difficult client/family situation and how you handled the situation.

4. Flexibility is important as schedules can change for a variety of reasons. Explain how you would be flexible in order to meet the needs of the Family Health programs.
