E. Consultation and partnerships.

1. Each county receiving Opioid Settlement Funds must consult annually with the municipalities in the county regarding future use of the settlement funds in the county, including by holding an annual meeting with all municipalities in the county in order to receive input as to proposed uses of the Opioid Settlement Funds and to encourage collaboration between Local Governments both within and beyond the county. These meetings shall be open to the public.
2. Participating Local Governments within the same County Area have a duty to regularly consult with each other to coordinate spending priorities.
3. Participating Local Governments can form partnerships at the local level whereby Participating Local Governments dedicate a portion of their Opioid Settlement Funds to support city- or community-based work with local stakeholders and partners within the Approved Uses.
